Att: Steve Lester

My name is Jerry Payne and I am writing this letter to see if the application of water right filed on Feb 3 2014, could possibly be expedited. The reason is Idaho Power and well driller Dave Adamson are waiting to get started. After I receive the water right - I added more acres to the application on Mar 3 2014 not knowing this could slowdown or change process - from getting started - as of March 3 2014 - the application had not been assigned to anyone -

Please consider the urgency of this matter.

Thank You
