Also enclosed are six *Water Supply Bank Lease Applications* for ground water and waste water rights associated with the development that applicants do not plan to utilize and wish to protect.

Check No. 8099 for $2,330 is enclosed for the filing fees; $330 for the permit application, $500 for the transfer application and $1,500 for the water bank lease applications. Thank you very much for your consideration and assistance in this matter. Please call Scott King if you have any questions or need additional information.

Sincerely,
