Very odd! Some digging suggests multiple labels on inter-office courier stuff (reused envelopes) resulted in docs to BSU, although Monica part is way off base.

Anyway, we have the wr apps here. WSB apps best to sent to SO/Attn Remington Buyer, WSB Coordinator (new position/new hire).

Subject: Cloud Berry Water Bank Apps

Steve,

We submitted a applications on behalf of Cloud Berry, LLC, in early November, which included an application for transfer, application for permit, and six water bank lease applications. It appears Western receipted the package and sent the water bank applications to BSU, to the attention of Monica Bussum. Fortunately, BSU forwarded the water bank applications to us because they didn't know what they were all about. Would you like me to return the water bank applications to you or forward them on to the State Office for processing?

Regards,
Lori
