Dear Watermaster:

The Idaho Department of Water Resources received several Applications to Sell or Lease Water Rights to the Water Supply Bank from Cloud Berry LLC. They have requested all rights in their entirety to be leased to the Bank until December 31, 2018.

Please let us know if you have any objections or concerns regarding this application within 15 days. Review can be completed as soon as your response is received. Prompt response to this request is appreciated so your recommendation can be considered during the review process. I have enclosed a recommendation form for your convenience.

If after 15 days from the date of this letter the department has not received your written recommendation, IDWR will presume you do not oppose approval of the application and you have no comments for the department to consider.
