RE: Water Supply Bank Lease Applications: 63-5092, 63-5093, 63-5098, 63-10700, 63-10557, 63-31970 and 63-32958

Dear Water Right Holder:

On November 7, 2013, the Department of Water Resources (Department) received applications to lease the above mentioned water right into the Water Supply Bank from you on behalf of Cloud Berry LLC. After reviewing these applications, the Department requested via email additional information before we could continue processing the applications. The information needed is:

63-5093, 63-5098 and 63-31970: The Department needs more information on the stockwater use of these rights in the last 5 years. Has Cloud Berry LLC or the previous owner watered stock in the last 5 years?

63-5092, 63-10700, 63-31970 and 63-32958: The Department needs a map of the proposed acres to be idled during the term of the lease.

63-32958: Where is the wastewater coming from? Is it from a common ditch that others could utilize?

63-10700: On the application under "General Information" item #3: "Will the present place of use continue to receive water from any source?" The "no" box was checked, but under "If yes, please describe": "Surface water from Middleton Irrigation Association, New Dry Creek Ditch Co. and Foothill Ditch Co." I have attached a copy of that page for your convenience. This item needs to be clarified.

We are also going to change the ending date of this right to match the ending date of overlapping rights already in the Bank. The other right 63-5094 and 63-32960 should probably never have been accepted without water right 63-10700.

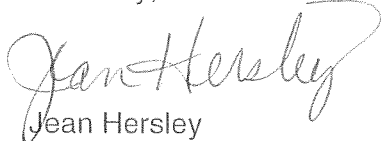

63-10557: The domestic use was not included.

63-5098: The domestic use was included. You indicated the domestic uses were not included as they are continuing to be used.

Please provide the requested information within 14 days of the date of this letter or the applications will be returned.

If you have any questions, please contact me at (208) 287-4942.

Sincerely,

A handwritten signature in cursive script, reading "Jean Hersley". The signature is written in dark ink and is positioned above the printed name and title.
