RE: Prehearing Conference for Application for Permit No(s) 37-22834 &
37-22835

Dear Denise:

As per our telephone conversation today, I am enclosing the calendars for the months of April and May, 2014. Any date would be convenient for me and any date after April 3, 2014 would be convenient for Robert Jones who will be representing Christy Awalt. It is my understanding that we will be notified 14 days in advance when IDWR sets a prehearing conference meeting date.

I am sorry that I did not return the enclosed prior but was in hopes that the protest could be resolved. I have called Mr. Bowling several times and Mr. Simpson a couple of times. I did receive an e-mail from Jessica Witt, Mr. Simpson's assistant, on February 24th which stated the modified language desired. It is our opinion that the phraseology concerning trust water stated on water right licenses by IDWR is adequate.

Sincerely,

Clifton E. Jensen
