*****TIME SENSITIVE RESPONSE REQUIRED*****

Dear Applicant:

The Department of Water Resources acknowledges receipt of your application to rent water from the Water Supply Bank. **I have enclosed a Water Supply Bank Rental Agreement for your review and signature.** Upon signature and return of the original agreement, together with the rental fee described below, the Department will also sign the original agreement and return an executed copy to you. I'll check with Katie about stopping payment on the check. I doubt we did it yet.

I think this might be my fault. When you revised and resent the lease contract I thought that you had send a new lease contract AND rental agreement so I told Katie to discard the old rental agreement. So yes, please send us a new rental contract. City council has already approved it so the mayor should be able to sign it pretty quickly. I apologize for the mix-up.

Why you didn't receive the check with the signed lease contract is a mystery.

Robyn,

We did not receive this in the mail today. You'll have a new Rental contract coming your way. Have you stopped payment on the check? If so, can I get the check number to give to our front desk clerk, in case it comes in. That way we don't receipt it with a stopped payment on it. Thanks.

We received the Lease Contracts on February 24th . However, we have not received the check or the Rental agreement yet. I contacted Katie yesterday since she sent a letter with the lease contracts. I have ran an inquiry on the receipt of funds and it has not been receipted here. We will need an original signature here. If we do not receive it by the end of the day I'll mail you another copy for signature.

Hi Clay. Our attorney said that IDWR hasn't received the water bank forms and check yet? Is that correct?

I'm very surprised about this since we definitely mailed it. I think it was mailed on Friday Feb. 21st.

Do you need an original signature? Can I scan or mail you a copy of the forms that we made? Or should we have the mayor sign it again?

Thanks!

Hi Clay. Thanks for following up. I just called our City Clerk's office. The new agreements have been sitting in the Mayors box and haven't been signed yet. Sorry! At the latest they'll be signed Tuesday night and in the mail either Wed or Thurs next week.

I apologize for the delay. I forgot to ask the City Clerk to cut a check for the first year rental so we should be able to include the check with the signed agreements.

Thanks!

Hi Clay. I noticed a few typos on the water bank lease and rental agreements for 37-4414. Page 1 of the lease contract – item 3, says it expires Dec. 31, 2013. Page 3 of the lease contract says the priority date is 8/1/1995, when it should be 8/1/1955. Should we get these fixed before I have our mayor sign the forms?

Thanks,

MEMORANDUM

To: Water Right File No(s). 37-4414

From: Clay Webster

Date: January 14, 2014

Re: Review of Applications to Lease and Rent a Water Right to the State Water Supply Bank

GENERAL: Found a discrepancy between the map and the PODs provided. I received a correction to the PODs from the applicant via e-mail on January 14, 2014.

PURPOSE/NARRATIVE: On December 23, 2013, the Department received applications to extend the term of the existing lease and rental of the entirety of this right through the Water Supply Bank.

AUTHORITY TO FILE: The applications were signed by the city's Public Works Director and submitted in conjunction with phone conversations from their attorney Bruce Smith on behalf of the city.

WATER RIGHT VALIDITY: This water right was partially decreed in the Snake River Basin Adjudication on June 29, 2011, it has been leased into the WSB since June 10, 2011. Therefore, five years of non-use is not an issue.

INJURY TO OTHER WATER RIGHTS: No injury is apparent from previous lease and rental agreements.

ENLARGEMENT OF USE: No enlargement is evident. Use prescribed for the rental is within the definition of municipal use.

LOCAL PUBLIC INTEREST:

Review staff has no information to suggest this application is inconsistent with the local public interest.

BENEFICIAL USE/CONSERVATION OF WATER RESOURCES:

The lease appears consistent with the conservation of water resources in Idaho.

DEPARTMENT STAFF OR WATERMASTER COMMENTS:

VOLUME AND FEE: The volume is the diversion rate (2.227 cfs) multiplied by 1.984 multiplied by 365 days, which is 1,612.7 AF limited to 1,316.2 AF per previous rental agreement and current application.

The rental fee is \$17/AF times total volume of 1,612.7 AF, which equals \$27,415.90. Since the City of Ketchum is the lessor and the renter, the total fee due is \$2,741.59 administrative portion.
