CONVERSATION MEMO

FROM: Steve Lester 
DATE: December 11, 2013
RE: Application for Permit – Nathaniel & Deanna Davis

Applicant visited office to file this application today. Had prior visit with SO to get help seeking a late claim for same well but exempted domestic use (SO issued #63-33881, temporary status at this time).

Owners are sending late claim request to SRBA Court so not yet a confirmed POD overlap with respect to recorded water rights/claims.

OK with applicant:

- 0.07 cfs
- 3.6 acres
- Water bearing zone per well log attached to application.

Site is east and outside of South Canyon County GW area of concern.

Correct drilling fee upgrade also paid, \$125 for 11/1996 well.
