RE: Notice of Change in Water Right Ownership for 37-12121

Dear Trish:

Enclosed you will find an original and a copy of the above-referenced Notice of Change of Water Right Ownership for my clients, Theresa Sue Castellano, trustee of the Theresa Sue Castellano Management Trust and Benjamin David Wood, trustee of the Benjamin David Wood Management Trust. You will see there are several deeds in the chain of title from the current water right holder, Serena Stewart, to my clients. The previous owners in the chain of title failed to update the ownership of this domestic water right. It was not until my clients retained me to assist them with the sale of their property that we discovered the water right belongs to Lot 2 of Gimlet Subdivision No. 9 located at 221 Sutton Place in Blaine County, Idaho.

Also enclosed is the \$25 filing fee for this ownership change. Please receipt date-stamp the copy of the Notice and return it to me in the enclosed self-addressed postage-paid envelope I have included for that purpose. Kindly call me if you have any questions about the Notice. Thank you!

Sincerely yours,
