Subject: Re New App for Upper Columbia Corp of Seventh Day Adventists

Hi, Jim,

I left you a voice mail message regarding this new application for Upper Columbia Corp, but will confirm by e-mail.

We will need an upgrade fee on the well for this new application you submitted for the Irrigation and Industrial use since the well was drilled as a domestic use well. Fee for upgrading this well is \$125.

Please make check payable to IDWR and send to our office marking for my attention.

Also – under **Item 8, sub e.**, page one of application, *do you mean that the wastewater lagoon/land application site is to be constructed in the summer/fall of 2007*, or am I misreading that?

Please check that and if correction needed, substitute new page 1 of application.

Thanks, and have a great evening.

Jim, the **“original”** of this application that we received in the mail yesterday had **NO signature on it**, just a blank line. The copy attached hereto shows you signing as their consultant. We will need an **original** page two with your actual, **ORIGINAL** signature (*not a photocopy*) for our files. We can't complete the processing of the application without an original signature.

When mailing or delivering the check for the upgrade fee for the well (Tag #D22122), please include page two of the application bearing your **“original”** signature.

I'll hold this application on my desk until I have an original signed page 2 and the upgrade fee.

Thanks for getting this to me at your earliest possible time.
