

MEMORANDUM

Date: March 10, 2014
To: Transfer 79063
From: Eric Davis
Re: Review & Evaluation of Sufficiency of Information

This transfer application is to add a new well (POD) to the system in the same tax lot of the original POD.

Authority to File: The applicant is the current owner per adjudication recommendation record. Note this entity was dissolved in 2010 per IDSOS records. It appears they are operating under the same name.

Water Right Validity: This right has been recommended in the adjudication.

Injury to Other Water Rights: This new well is only going to be a back up well due to DEQ requirement.

Enlargement of Use: No additional water use to this right with this transfer approval.

Local Public interest: No negative impacts anticipated.

Beneficial Use/Conservation of Water Resources: Proposed use of water is recognized as beneficial use of water.

Effect on Economy the Local Area: No change through transfer.

Effect on Agricultural Base of the Local Area: N/A

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
