Re: Notice of Change of Water Right Ownership - 37-8611

Dear Trish:

Enclosed you will find the original and a copy of the above-referenced Notice of Change of Water Right Ownership together with a copy of our e-mail exchange earlier this month, when you reviewed and approved the form of this Notice. I have also enclosed our firm's check for \$25 to cover the filing fee. As a result of this change in ownership, the Cooper Family Gift Trust will continue to own an undivided two-thirds interest as tenant in common in Water Right No. 37-8611 and my clients, the two Cox Revocable Trusts, will own the other undivided one-third interest as tenant in common in that Water Right.

I believe an ancillary probate proceeding has recently been filed in Idaho for the estate of the deceased owner of Lot 3A. Once that proceeding has been completed, I will urge them to file a similar ownership change for the one-third interest that is appurtenant to that lot.

Please call me if you have any questions. Thank you.

Sincerely yours,
