RE: Rights to use water from Stimson Lumber property

Dear Jerry and Marlene,

Stimson Lumber Company hereby authorizes Jerry and Marlene Lloyd to take and use water from an existing spring and from the creek in T48N R1W, section 13, in the approximate locations shown on the attached Exhibit A. Jerry and Marlene Lloyd also have permission to maintain the plastic water lines that originate on Stimson Lumber Company property to get the water from the two locations shown on the Exhibit A, to the Lloyd property.

Only these two locations shown on the attached Exhibit A shall be used for providing water to the Lloyd property. Stimson reserves the right to inspect the plastic water lines and require the clean-up of any old unused or broken plastic pipe located on Stimson property.

The rights to take and use the water located on Stimson Lumber Company property is valid only for Jerry and Marlene Lloyd and their heirs. These rights do not extend to any other non-family member if the Lloyds sell their property.

Sincerely,
