RE: Change of Address Water Right/Permit No.: 73-215B

Dear Water Right/Permit Holder(s):

The Idaho Department of Water Resources received a request for a change of address for M2 Technical Services Inc. On the form, you listed your water right as #23B-Lemhi. This is not a valid water right. Our data search indicated your water right number is 73-215B. I have enclosed a water right report for your convenience.

You also requested a name change from M2 Technical Services Inc to Rocknocker Resources, LLC. I cannot change the ownership of a water right without the proper documentation and fee. If it is only a name change and not a change to a different business entity, payment is not required. Changes to Department records can be made after proper notice and evidence of the change is received. Documentation for a name change to a business entity can be obtained from the Secretary of State. I have enclosed a Notice of Change in Water Right Ownership form for this change.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions, www.idwr.idaho.gov.

If you have any questions regarding this matter, please call me at 208-287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
