*Re: Notice of Change of Water Right Ownership for Water Right No. 34-784, 34-785,
34-786.*

Dear Jonie:

Enclosed for processing is a Notice of Change of Water Right Ownership for the above referenced water rights. This change in ownership is somewhat different than those you typically process, because the ownership change is being effectuated through an agreement between the State of Idaho Department of Lands and Tommy C. Waddoups LLC. Enclosed is a copy of an agreement between these parties, which calls for a portion of the above water rights to be split out where both parties will be co-owners of the water right and Tommy C. Waddoups LLC will remain the sole owner of the remaining portion.

This is typically how the Department of Lands handled matters in the Snake River Basin Adjudication where a private entity claimed a portion of their water right on State of Idaho lands. For some reason, likely because Basin 34 was the first basin adjudicated in the SRBA, the typical agreement process was not accomplished on the Tommy C. Waddoups LLC property. On page 3 of the agreement, we have already specified how the water rights will be split out which we previously verified with Blake Jordan. As to where these water rights are located, Blake already has the GIS shape files for the water rights, and is fully aware of the agreement executed between the parties. Please visit with him if you have any questions or concerns.

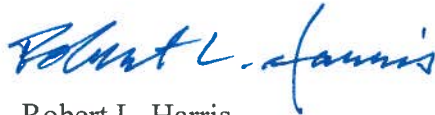

Because the Notice of Change of Water Right Ownership form does not exactly fit this scenario, I have done my best to show both entities listed as parties, as well as their respective addresses and phone numbers. If this raises any concerns, please let me know. You will note that the water rights are currently in the name of Elsie and Jimmy K. Waddoups, but the transfer application included recently recorded deeds conveying title from these individuals to Tommy C. Waddoups LLC. Blake Jordan has these documents if you need them.

Established in 1896

Lastly, because there are three water rights splits, we have included the appropriate \$300.00 filing fee.

If you have any questions or concerns regarding any of the foregoing, please do not hesitate to give me a call.

Best regards,

Robert L. Harris
