RE: LEASED WATER RIGHT NO. 35-7534B REMAIN IN THE WATER SUPPLY BANK

Dear Lessor:

On February 19, 2014, the Department of Water Resources (Department) received your request to cancel the existing Water Supply Bank (Bank) Lease Contract executed on January 21, 2011 and release water right **35-7534B** from the Bank. **The leased water right is fully rented from the Bank until December 31, 2015 and cannot be released from the Bank until the end of the rental term.**

You may request the release of the leased right(s) again if the rental is canceled before the end of the rental term, or the right(s) will automatically be released at the end of the term of lease identified on the Lease Contract, December 31, 2015.

If you have any questions regarding this matter, please contact me at (208) 287-4944.

Sincerely,

ONE FORM PER WATER RIGHT

This form is a statement that the lessor requests the termination of a Water Supply Bank ("Bank") lease for the water right identified below. A water right remains in the Bank for the accepted lease period unless released earlier by the Water Resource Board or until the lessor submits a request in writing to the Department of Water Resources to release the right from the Bank. However, if a water right is currently rented, the portion of the right being rented must remain in the Bank for the duration of the rental agreement.

If requesting a change in lease amounts (reducing acreage, etc.), you must file an Application to Sell or Lease a Water Right to the Water Supply Bank. This form can be found on IDWR's website at: www.idwr.idaho.gov.
