On August 31, 1998, the Idaho Department of Water Resources filed its *Director's Report for Basin 21, Domestic & Stockwater Claims*, which included the Director's recommendation for the above-captioned water right claim. No objections were filed to the recommendation and the time period for filing such objections has expired. On August 2, 1999, a *Partial Decree* was entered for the above-captioned uncontested water right claim. However, while the ROA record indicates that a *Partial Decree* for the above-captioned water right was entered on that date, a copy of that *Partial Decree* cannot be located.

Therefore, IT IS ORDERED that water right claim 21-10342 be **decreed** *nunc pro tunc* as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b), Nunc Pro Tunc, August 2, 1999*.
