RE: Water Right Permit No. 43-13680

Dear Permit Holder:

The Idaho Department of Water Resources (Department) is in the process of reviewing your water right permit for licensing. Water right permit 43-13680 qualifies for in-house review. In order to speed this process along, we are asking you to send pictures of the lockable device you have installed which was required by Condition of Approval #6 on your Water right permit.

You may send the pictures to my attention to the address above or to my email: jean.hersley@idwr.idaho.gov or you may fax them to my attention (208) 287-6700. Please respond within 15 days so the Department may continue the review process. If you have any questions, please contact me at (208) 287-4942. Thank you.

Sincerely,

Jean Hersley
