RE: Place of use Water Right Permit No. 43-13680

Dear Permit Holder:

On January 6, 2014, the Idaho Department of Water Resources (Department) sent you a letter requesting pictures of the installed lockable device that is required by Condition of Approval # 6 on water right permit no. 43-13680. As of the date of this letter, the Department has not received a response.

Please send the pictures to the address above, email to jean.hersley@idwr.idaho.gov or you may fax them to (208) 287-6700, all to my attention.

If the Department does not receive a response within fourteen (14) days, I will assume you are no longer interested in obtaining a water right license and your permit will be voided.

If you have any questions, please contact me as soon as possible at (208) 287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
