Dear Sirs:

Enclosed for service on the parties in the above referenced matter is a signed Transfer of Water Right, Transfer No. 78283. This document was inadvertently unsigned when attaching it and mailing with the Final Order.

If the transfer approval includes a condition requiring measuring and recording devices, such devices shall comply with specifications established by the Department. Detailed specifications are available on the Department's home page on the Internet, or you can request a copy by contacting any office of the Department. Please be sure to thoroughly review the specifications to avoid unnecessary costs for reinstallation or modification due to non-conforming or improperly installed devices.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

Please call me at (208) 287-4803, if you have any questions and I can direct you to the appropriate staff for assistance.

Sincerely,

Deborah J. Gibson
