RE: Transfer Application

Dear Mr. Slavin:

The Department has received your application for transfer to move the point of diversion for water right numbers; 75-4340A, 75-74A, 75-10178, 75-14704 and 75-10061G. During the review of your transfer application, it was found that the proposed point of diversion in the NWSE quarter of Section 7, Township 22N, Range 22E, did not match the location identified in your map. The map placed the new point of diversion in Lot 10, SWNESE quarter of Section 7, Township 22N, Range 22E.

I am assuming that the map is correct. In order to continue processing your request the application needs to be corrected. I am enclosing an amended application for your review. If you agree with this correction, please sign the amended application and return.

If you have any questions please let me know.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Kerrie'.
