On March 9, 1999, the Idaho Department of Water Resources filed its *Director's Report for Basin 67, Domestic & Stockwater*, which included the Director's recommendation for the above-captioned water right claim. No objections were filed to the recommendation and the time period for filing such objections has expired. On December 29, 2000, a *Partial Decree* was entered for the above-captioned uncontested water right claim. However, while the ROA record indicates that a *Partial Decree* for the above-captioned water right was entered on that date, a copy of that *Partial Decree* cannot be located.

Therefore, IT IS ORDERED that water right claim 67-13950 be **decreed *nunc pro tunc*** as set forth in the attached *Partial Decree Pursuant to I.R.C.P. 54(b), Nunc Pro Tunc, December 29, 2000*.
