RE: Water Right No. 36-2902 and 36-2733
Original Water Right No. 36-2902 and 36-2733
Split into: Water right Nos. 36-2902 and 36-2733 (William and Janine Mc Manus)
36-16972 and 36-17003 (Brad and Bonnie Bandy)

Dear Water Right Owners,

The department acknowledges receipt of correspondence changing ownership and splitting the above referenced water rights. The department has modified its records to reflect the changes and has enclosed computer-generated reports for your records.

Your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact me (208 736-3033) if you have any questions regarding this matter.

Sincerely,

A handwritten signature in blue ink that reads "Jana Reeder". The signature is fluid and cursive, with the first name "Jana" being more prominent than the last name "Reeder".
