Re: Permit Nos. 63-32467, 63-32911, and 63-32912;
Application for Permit No. 63-32462

Dear Mr. Westra:

As you know, the "Andrews Ditch Agreement" entered into in 2011, a copy of which has been previously submitted to the Idaho Department of Water Resources ("IDWR"), provides in Section II.A.3. for Greg and Ann Obendorf to withdraw "all pending petitions, protests, and/or objections" to Permit Nos. 63-32467, 63-32911, and 63-32912 and to Application for Permit No. 63-32462 within 30 days of the complete execution of the SRBA Standard Form 5 documents for certain irrigation rights. The subject SRBA Standard Form 5 documents having been fully executed approximately 30 days ago, accordingly, pursuant in Section II.A.3 of the Andrews Ditch Agreement and on behalf of Greg and Ann Obendorf, I hereby withdraw all of their pending petitions, protests, and/or objections to Permit Nos. 63-32467, 63-32911, and 63-32912 and to Application for Permit No. 63-32462. Please let me know if you have any questions about this matter. Thank you.

Sincerely,
