RE: Water Rights 61-2188 and 61-7151 Water Supply Bank Lease

Dear Mr. Brown:

Thank you for visiting with Pam Skaggs regarding the letter I sent you last month. It appears that some of the questions I posed in my letter have been satisfied at this time.

Per your visit, the Department was able to verify that 127.2 acres of your land is part of the Water Supply Bank lease that was issued in 2006. Remember that the lease required 163 acres to be dried up, which leaves 35.8 acres under the Water Supply Bank lease. The remaining 35.8 acres may be owned by Augusta Greenheart or is otherwise in dispute.

Because ownership of the water rights are in dispute, the only portion that will be available for rental under your water right lease is 127.2 acres until the water right ownership dispute has been resolved.

You may contact me at (208) 287-4944 if you have any questions regarding this matter.

Sincerely,
