

MEMORANDUM

TO: Water Right Files 75-7492 and 75-7588
FROM: Sandra Thiel
DATE: October 18, 2013
SUBJECT: Phone conversation with Jana Gattung

I sent Jana a letter on September 26, 2013 requesting more information about water from Rainbow Ditch company that is diverted into Gattung Slough. Jana said she has been out of town. She gave a copy of the letter to the water master, Kevin Rice, and asked him to talk to me. According to Jana the ditch water has very rarely been diverted into the slough. However, she was able to provide the number of shares from Rainbow Ditch when they are available.

The Gattung ranch receives a total of 180 shares from the Rainbow Ditch. Gene Gattung, who has water right 75-7492, receives 45 share for 60 acres. Jana's sister has 61 acres and 10 shares. Jana, 75-7588, has 40 acres for 55.4 acres. There is also a trust that receives 85 shares for 177.5 acres.

I talked to Kevin Rice, the water mater for water district 75B. He said that each share from Rainbow Ditch is for an acre.
