Re: Water Right #71-7024, 71-7076

Dear Mrs. And Mr. Glen,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated reports for your records.

In researching your water rights, I came across a problem with right # 71-7024 in the legal description for the Place of Use. The problem originated in the initial permit for the water right. Lot 17 is located in T07N R14E Sec 27 SWNE (see enclosed map), but was listed on the permit application as T07N R14E Sec 27 NWSE.

Permit #71-7076 was originally listed the same but an agent noticed the mistake, corrected it and the right went through the adjudication process with the proper quarter/quarter. #71-7024 went through uncorrected.

To correct this error now requires a transfer for the place of use. If you wish, any of our agents will be willing to help you with this correction. You can set up an appointment by calling (208) 736-3033

Sincerely,

Carrie Hahn
Clerk
