Re: Frank Tiegs LLC

Dear Mrs. Sommer:

Frank Tiegs LLC has purchase several farms in the recent months and it is necessary to update the Idaho Department of Water Resources records regarding the ownership of the water rights and the correct address for the water rights purchased.

A large portion of these ownership issues were updated in 2013. However, the ownership of 63-33491 has not been updated. The attached assignment of permit that is attached to this letter and signed by Todd Hines will provide the necessary documentation to change the ownership of 63-33491 into the name of Frank Tiegs.

Please copy our office on all correspondence regarding this change of the water right.

Sincerely,

Greg Sullivan, M.S., Engineer
