Steve,

Good afternoon! I hope you are having a very merry holiday season! I'm emailing in hopes you can assist me with an application I'm processing, **application for permit 65-23553** proposing domestic and fire protection use from the Payette River for a cabin at Banks [9N 3E Sec 28 Lot 11(SWSW)]. **Item No. 9 of the application is incomplete**, the fire protection place of use is not designated. I assume, based on the map, the fire protection use is within the same Gov't Lot as the domestic use, but the application must be complete before advertising can occur. So, if you wouldn't mind too terribly much, could you or the appropriate individual at your agency, **place a letter "F" in the box underneath the "D" to indicate the fire protection place of use**. I've attached a copy of the original application for your use. Please amend this application, initial and date next to the amendment, and return the original (not a copy of email) of the corrected initialed amended application. Please return the amended form within the next thirty (30) days. If you need more time to submit the amended application, you may request up to an additional six months. **If I don't not receive a written response within the next thirty (30) days, the application may be voided.** A refund may not be issued for a

voided application. Please let me know if you have any questions. Thank you for your attention to this matter. I look forward to your response.
