RE: Watermaster Contact information

Dear Raul:

I didn't receive a response to my email, so I am mailing you a hard copy of the watermaster contact information. I checked with my boss, and we can't waive the headgate and measurement requirement without Watermaster Approval. That is the bad news. The good news is that water rights 57-7685 (Proj. #0075,5387,0502) and 57-7694 (Proj. #8915) are in an inactive Water District, so we will change these measurement conditions to a condition that will require a measurement device upon notification from the Idaho Department of Water Resources (Department). We just need a brief statement from you asking us to waive the measurement requirements.

Water rights 57-7692 (Proj. # 8522) and 57-7693 (Proj. #1389) are in Reynolds Creek Water District. The Watermaster is Connie Brandau, 9902 Wilson Cemetery Lane, Melba, ID, 83641, telephone number 495-2529, email [CONNIEBRANDAU@Q.COM](mailto:CONNIEBRANDAU@Q.COM)

Water rights 57-7684 (Proj. # 9074), 57-7685 (Proj. #9072), and 57-7687 (Proj. # 9073) are in the Castle Creek Water District. The Watermaster is Mike Ihli, 625 School RD, Kuna, ID 83634, telephone number 377-1449, no email.

I would contact them as soon as possible. Thank you for your time and patience.

Respectfully,

Daniel A. Nelson  
Staff Hydrologist
