Hey Craig!

Hope you had a great weekend! Thanks for looking into this and getting it reinstated. Western will do the exam and licensing. Should be pretty straight forward for us now that you've taken care of the sticky part with reinstating ;)

Thanks,
Angie

Subject: Reinstatement of 63-11116

Hey Angie,

Shelley just signed the order reinstating 63-11116. It hasn't been mailed or scanned yet, but it should be by tomorrow. After it is mailed we will create a file. My question is if you/western is planning on issuing the license for this one, or if you want us to put it on our list of things to do.

Thanks,
C

(PS: This is the one where proof was submitted in the 90's in an attempt to reinstate. We couldn't find proof but found evidence of fees and a memo from Steve documenting what had happened.)
