RE: TRANSFER APPLICATION FOR: 34-13752, 34-13754, 34-13756, 34-13758 & 34-13760

Dear Claimant:

According to our records you purchased some property from a Lillie Wells in 1948. Then in 2006 you purchased some water rights from Lynn Rothwell for the property purchased in 1948. In 2006 the department completed an ownership change for the above mentioned water rights, putting the water right in your name. However, it appears a transfer is still required to correct the place of use. Please find attached a transfer application and a copy of the proof reports of the water right and a layout showing the current place of use of the water rights and the land purchased according to your Deed from Lillie Wells in 1948.

Please review the information attached. If you believe you need to complete the transfer application to correct the place of use of the water rights above, please complete the application and return it to our office. If you need some help with the transfer application, please contact our office and speak with a water right agent.

If you questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
