RE: Assignment for Water Right Permit Nos. 72-7577, 72-7578, 72-7579 & 72-7580

ASSIGNMENT DEFICIENCY LETTER

Dear Permit Holder:

The Department of Water Resources acknowledges receipt of your Assignment of Permit form. Our review of your Assignment of Permit indicates that additional information is required before we can process the change in ownership.

The information required is indicated below:

☒ **Notarized Signature** for Assignment of Permit

☒ **The Original Assignment Form** containing the Original Signature

Because the Department cannot process an assignment of permit without an original notarized signature I am returning the form to you, and ask that you sign the form in front of a notary public. We will hold any action on your assignment pending receipt of the necessary information. Once we receive the new form we will be able to move forward with processing the change.

If you have any questions, please feel free to contact me at (208)287-4945
