RE: *Water Right Transfer for Natural Guardian LLC.*

Dear Blake:

Enclosed for processing is an *Application for Transfer* for eleven of Natural Guardian LLC's water rights. The purpose of this Application is to correct the place of use on these water rights. Natural Guardian installed five new pivots on the property in 2012. Prior to that, we filed another *Application for Transfer* for the new pivots based on a survey that was done. Now that we have aerial imagery from 2013, we have discovered that adjustments need to be made to the place of use so that it aligns correctly with the placement of the new pivots. We based the filing fee of \$500.00 on the actual number of acres that are being moved.

If you have any questions do not hesitate to contact me.

Best Regards,

Luke H. Marchant
