RE: Ownership of Water Right 82-7203

Dear Mr. Minicolla:

We have been advised that you may be the current owners of the property and water rights referenced above.

When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. I have enclosed a copy of this form for your convenience.

Please return the completed form along with the conveyance document and \$25 fee to my attention. Section 7 of the Notice of Change in Water Right Ownership form outlines this required documentation. Please note that a plat, survey or aerial map is not necessary since that has already been provided by separate request. I will be happy to update our records upon receipt of this information.

If you have any questions regarding this matter, please call me at 208-287-4933.

Sincerely,

A handwritten signature in cursive script that reads "Patrick Kelly".
