RE: Notice of Change in Water Right Ownership No(s). 03-10245

Dear Property Owner(s):

Thank you for submitting your request for a Notice of Change in Water Right Ownership for the above mentioned water right. After reviewing your request, it was discovered that in order to receive irrigation for your land, we will need to split water right 03-10243 also. Water right no. 3-10243 and 3-10245 have a combined use limit of 30 acres of which you will receive 14 acres according to the warranty deed submitted with your request.

If you would like to add 3-10243, which will need to be split, to your request, please send an additional \$100.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary funding. If we do not receive the necessary fees within 30 days we will split 3-10245 and you will be limited to 9.4 acres of irrigation under this water right.

Please feel free to contact me at (208) 287-4942 or Michael Ciscell at (208) 287-4915 if you have any questions regarding this matter.

Sincerely,

Jean Hersley
