RE: Water Right No's: 63-8461

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation and clarification is required before we can process the change.

- The provided Warranty Deed does not prove ownership of all the land covered by WR No. 63-8461. Please provide another Recorded Warranty Deed showing ownership of all the land or submit an additional fee of \$75.00 to the Department to cover the split water right. An aerial photo showing the land not covered by the provided Warranty Deed has been enclosed with this letter.

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation, if you have any questions please contact this office.

Sincerely,

Rachel Sommer
Administrative Assistant
Western Regional Office
