To whom it may concern:

Enclosed please find my application for a water right. I enclosed 2 maps, both topographic and aerial photo, although the stated preference was for a topographic map, I also included an aerial photo map because I could more accurately identify the map features on it.

If you find any part of my application insufficient, or if you would like additional information, please do not hesitate to contact me.

Thank you very much for your assistance and I anticipate your response.

Sincerely:

Donald Gue

Hi, Linda,

Please publish the enclosed legal notice on the dates indicated, February 6 and 13, 2014, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be mostly press ready: ~ 2 column, CenturyOldStyle font, 8pt. Please request that the section for Use: DOMESTIC and the following line are lined up as submitted.

Please send a proof/preview copy for my review before this actually goes to press. We should have plenty of lead on this for any adjustments if necessary.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 2/24/2014. Your cooperation is always greatly appreciated.

Thanks for all your help in always making our legals look good.
