PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 2-10480

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

During my review of your proof statement and your water appropriation permit, I noticed that you stated your use as domestic for 1 home. Your domestic use is from a spring for in-house use, and is covered under permit no. 63-12600. Permit no. 2-7479 was a domestic use right that changed to irrigate a half acre from the Snake River.

This permit was filed to cover the remaining 0.3 acres being irrigated, and is limited to irrigation use only. I have enclosed a copy of your proof statement and a copy of this permit for your reference.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office.

If you have any questions concerning the field examination, please contact the Western Regional Office of the Department in Boise, Idaho at (208) 334-2190.

Sincerely,

Darla Block
Technical Records Specialist
