RE: CHANGE IN OWNERSHIP FOR: 34-644F, 34-780I & 34-2323E

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Custer County. The property to which I am referring was most recently owned by Marc Schluter. The legal description includes but not limited to land within the following:

Township 06 North Section 7 Range 25 East

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

In 2004 you submitted an ownership change for the same water right but on September 16, 2011 your ownership change was returned unprocessed there is an error in the legal that will require a transfer to correct. The department has completed an ownership change for a Mr. Hamburg, leaving the remaining portion of the water right all belonging to the property you submitted the ownership change for in 2004. Please resubmit your ownership change and filing fee for \$25.00 per water right and the department can complete your ownership change.

Please remember this will also require you file a transfer to correct the place of use of the water right, I have also enclosed the transfer form for your review. You can contact our office and speak to a water right agent at anytime to help you complete the transfer application.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you questions regarding this matter, please call 525-7161.

Respectfully submitted,
