RE: Lease 29-13892 Water Supply Bank Over-Payment

Dear Lessee:

On December 11, 2013, the Department of Water Resources sent you a payment in the amount of \$1,506.60. The payment was paid to you for the rental of your water right.

It has come to my attention that the payment we issued to you was incorrect. The payment that should have been paid to you was \$1,425.96. The Department rented 93.2 acre-feet (af) of your right at the current rental rate of \$17/af. The Department retained 10% and you receive 90% of the gross amount received.

Please send a check to the Department in the amount of \$80.64, the amount of the overpayment within 10 days. I have enclosed a self-addressed envelope for your use. Other lessees cannot be paid until your payment has been submitted.

I apologize for the inconvenience and hope that future payments to our lessees are more seamless. I look forward to reconciling the bank's payments due to lessees as soon as possible and your corporation is very much appreciated.

Please let me know if you have any questions regarding this matter at (208) 287-4944 or you may speak with my supervisor, Pam Skaggs.

Sincerely,

Cherie Palmer
