Nothing from BLM. I'm not sure when the amended director's report was coming out on the SRBA rights to eliminate the overlap onto BLM ground.

I was over in your office this afternoon talking with the CAMP facilitators. I should have poked my head in to see you then.

I will check with BLM, but I suspect they are waiting on the SRBA claim to be finalized.

Mr. Barker:

I just wanted to check if you ever received a response from the BLM regarding your letter of 06/15/09.

Could you give me a call.
