RE: Status of 84-10636

This memo is meant to provide an update on the status of 84-10636.

- As of this date, the SRBA court webpage does not show that the Schulz's have submitted a petition to set aside partial decree 84-10636. In addition, the claim # I created for the Schulz to file a late claim (84-12280), does not show up as an active subcase on the courts website. As far as I can tell, the Schulzs have not taken action to update the POU and POD for 84-10636, nor have they filed for a new water right to cover their domestic use.
- Application 84-12281 was submitted by the Mooers on October 22, 2013, for two homes. Presumably the two homes on their property. It appears that they are not pursuing any portion of 84-10636
