I am submitting this CHANGE OF ADDRESS Form to correct an address on the enclosed water right paperwork.

This water right was deemed undeliverable to the Driggs address, because the address **should** have read, Victor, ID 83455.

Please note the change, and adjust this right to show the correct address and return it as deliverable.

Thank you for your consideration in this matter.

Regards,

A handwritten signature in cursive script that reads "Dawn Stone".
