RE: Ownership of Water Right 63-15007

Dear Mr. & Mrs. Lopes:

We have been advised that you may be the current owner of the property and water rights referenced above.

When a change of ownership involving a water right occurs, a Notice of Change in Water Right Ownership form is required. However, the place of use looks to be incorrect. The place of use for the water right is Township 03N, Range 14E, Section 18 SESW. The property straddles the line between the SESW and the SWSE but the home is in the SWSE. Enclosed you will find a map and the water right proof report. A transfer should be done to correct this error. I have also enclosed a transfer form on which you can change the ownership also or you can find one on our website: www.idwr.idaho.gov.

Please return the completed form along with the required support documentation and fee to IDWR Western Region Office, 2735 Airport Way, Boise, Idaho 83705-5082.

If you have any questions regarding this matter, please call Western Region at 208-334-2190.

Sincerely,

Jean Hersley
Technical Records Specialist II
