RE: Notice of Change of Water Right Ownership for Prometierra, LLC.

Dear Jonie:

Enclosed for processing are two *Notice of Change of Water Right Ownership* forms for eleven water rights that need to have their ownership updated to Prometierra, LLC. The water rights are currently in the name of the Richard and Susan Jacobsen Family Trust. As evidenced by the enclosed recorded Instrument Nos. 225599 and 225600, the property to which these water rights are appurtenant were conveyed from the Richard and Susan Jacobsen Family Trust to Richard and Susan Jacobsen individually, and the Jacobsens then immediately conveyed the property to Prometierra, LLC.

Water Right No. 22-13673 is appurtenant to a 2.5 acre parcel previously owned by Brian and Julie Boyle. The chain of title vesting ownership in this parcel into the trust is enclosed.

None of the water rights will be split, and therefore, we have submitted the filing fee of \$350.00 per the Department's instructions for both the NCO and the permit assignments. In addition, we have included a map showing the location of the parcels owned by Prometierra, LLC, along with their Teton County parcel identification numbers.

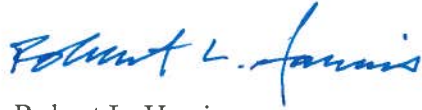

We have also included a completed Assignment of Permit form assigning two permits to Prometierra, LLC. Blake Jordan is finalizing the license for 22-7798, so please make sure he is aware of this assignment. We have told him about the assignment, but it would be good for you to double check with him.

If you have any questions or concerns, please let me know.
