Mr. Sage,

Wendy in our Idaho Falls office called and said you needed some Deeds to be able to transfer your Water Rights for the property purchased from Fred McCoy, who purchased from Harriet Makinson.

I went to the Water Resources website and found two water right numbers for Harriet Makinson. Apparently, Mr. McCoy never got them transferred into his name.

I've enclosed:

1. The Water Right Numbers that the Dept. of Water Resources has on file for Harriet Makinson.
2. Amended Personal Representative's Deed from Makinson to McCoy.
3. Warranty Deed from McCoy to yourself.
4. Plat map of property
5. Notice of change in Water Right Ownership form and instructions, in case you need it.

If we can be of further assistance, please contact our office.

Sincerely,

Alison Boyer
