

MEMORANDUM

TO: Water Rights File 75-7429
FROM: Sandra Thiel
DATE: September 19, 2013
SUBJECT: Phone conversation with Virginia Perry

I called Virginia Perry to ask about Andrew Ohl's shares from the Kane Ramey Ditch Company. Mrs. Perry represents the Runsten-Minzer Ditch Company. She said that the Ohl's don't receive water from the Kane Ramey Ditch. They do have shares in the 75C or 3K ditch under the Runsten-Minzer Ditch Co. Mrs. Perry said that they assess by acres rather than shares and that Mr. Ohl has water for 2 acres.
