RE: Change of Ownership for Water Right No(s): 02-10371

Dear Water Right holder(s):

The Department of Water Resources was recently informed that our record of ownership for this water right is no longer current. Our review of the property ownership has led us to the conclusion that the property associated with this water right is now yours. If this is correct, please fill out the "Notice of Change of Water Right Ownership" enclosed with this letter along with the appropriate fees and the copy of the property deed with the legal description of the property.

I have also enclosed a copy of the letter sent to the previous owners that brought this issue to our attention. All forms and instructions are available from our website at www.idwr.idaho.gov

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership for rights that have been decreed in the SRBA. The fee is \$25 **per** water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Thank you for your cooperation. If you have any questions concerning this letter, feel free to contact me at 287-4910.

Sincerely,

Clay Webster
