Dear Steve,

I had a chance this morning to speak with Wayne Mueleman, the protestant in the above-referenced Transfer. We have had an ongoing discussion aimed at resolving his concerns about the Transfer, and continue to do so. It appears that a meeting of the members of the homeowners' association may be held in the near term, which may produce a basis for resolving Mr. Mueleman's protest.

We would like IDWR to hold off on scheduling a pre-hearing conference on this matter in the meantime. If these discussions are not fruitful, I expect one or the other of us to notify you and the contested case process can move forward. I expect we can give you that notice within the next 45 days.

Please feel free to contact me if you have any questions, or if this approach is not acceptable to you.

Sincerely,

Mike
